Program Policies and Procedures

Procedures Performed:

To accomplish the stated objectives, we performed the following procedures:

- Conducted interviews with appropriate management and personnel to gain an understanding of the internal controls and processes surrounding the CDBG-DR program, focusing on any control or processes that have changed from the last quarter that was subjected to internal audit, quarter ending September 30, 2022, through the date of this report.
- Obtained and reviewed policy and procedure manuals and documents as noted in the Scope and Objectives section above, noting whether they appeared to set out appropriate policies and procedures in relation to HUD CDBG-DR and State of Oklahoma guidelines.
- Reviewed the ODOC CDBG-DR website <https://www.okcommerce.gov/reporting-compliance/cdbg-disaster-recovery-2019-2/> to determine that policy and procedure documents are posted to the website for public transparency.

Findings:

Based on our discussions with key ODOC CDBG-DR personnel, review of policy and procedure documents as listed above, and review of ODOC CDBG-DR website, it appears as though ODOC has proper internal control policies and procedures in place related to the CDBG-DR program. It is further noted that ODOC appears to be properly posting their policy and procedure documents to a website open to the public to meet the transparency requirements.
